Today

Hello, I'd like to inquire about a battery replacement for my phone. It's a Model X.

10:00 AM

Hi there! We can certainly help with that. The cost for a Model X battery replacement is $89 and it takes about 45 minutes.

10:01 AM

That sounds great. Can I book a time to bring my device in?

10:03 AM

Of course. We have an opening today at 2 PM. Does that work for you?

10:04 AM
